SUICIDE PREVENTION CONFERENCE

Bringing help, hope and healing through suicide prevention in Northern Lower Michigan

Sept 28-30, 2021

Castle Farms Charlevoix, MI

Featuring, Dr. Thomas Joiner, an American academic psychologist and influential researcher, worldwide presenter, and leading expert on suicide.

He is the Robert O. Lawton Professor of Psychology at Florida State University, where he operates his Laboratory for the Study of the Psychology and Neurobiology of Mood Disorders, Suicide, and Related Conditions.

All professionals in contact with those at suicide risk will benefit.
